PUBLIC NOTICE FOR A CATEGORICAL EXCLUSION

The Oregon Health Authority - Drinking Water Services has determined that the proposed drinking water **improvements to the Water Treatment Plant, Fire Hydrants, Water Meters, and Reservoirs** for the **City of Rogue River** conform to the criteria and requirements of Oregon Administrative Rules 333-061-0063 and the supporting environmental review process guidance manual. The project, which involves **the removal of an existing 500k gallon reservoir, constructing a new 1.0mg reservoir, installing new fire hydrants to the system, replacing or upgrading all water meters to be made radio read capable, and adding cathodic protection for the existing 1.2 MG reservoir**, is therefore categorically excluded from further environmental review under the Drinking Water Revolving Loan Fund program as allowed in the above referenced rules. A copy of the Categorical Exclusion and information upon which it is based is available for public viewing at:
